PROFESSIONAL SUMMARY

A highly organized first-year Business English student at Foreign Trade University driven by clarity, coordination, and care. Leverages meticulous attention to detail and a systematic mindset to plan efficient team workflows, anticipate organizational needs, and resolve alignment frictions before they escalate. Committed to delivering seamless execution and elite-level support as an art form.

ACTIVITIES & PROJECTS

Group Project Coordination

Academic Projects

- Introduced systematic task-sharing and clear delegation frameworks across multi-member teams.
- Dispatched structured progress reminders and proactively monitored milestones to neutralize potential bottlenecks.
- Ensured precise, on-time delivery across all collaborative team assignments.
- Cultivated operational clarity and significantly reduced relational friction in fast-paced group settings.

English Club Activities

School Years

Translation Department Member & Coordinator

- Contributed actively to core document translation and localized content generation.
- Assisted in session coordination, timeline scheduling, and logistical support framework setup.
- Managed strategic role assignment and operational alignment for key student events.
- Facilitated smooth, transparent cross-departmental and inter-team communication.
